INTERPRETATION

- We are regularly engaged to work at events attended by heads of state and corporate executives.
 - We only work with the best interpreters who are well-versed in the subject matter at hand.
 - We translate from/to over 50 languages, including those that are considered rare.
 - Our pool includes over 700 reliable interpreters in Russia and abroad.
 - We use our own proprietary software to manage interpreters at large conferences.
 - We have a good track record of providing interpretation services at large events (up to 200 interpreters at a time).
- ✓ Simultaneous interpretation
 - ✓ Consecutive interpretation
 - ✓ Managing interpreters at large conferences

CONFERENCE EQUIPMENT

- We use certified equipment supplied by leading international manufacturers.
 - Assembly/disassembly, setup and technical support are performed by highly qualified and fully licenced engineers.
 - We carry out regular disinfection and maintenance of all our equipment.
- ✓ Simultaneous interpretation equipment
 - ✓ Sound equipment
 - ✓ Projection and video equipment
 - ✓ Multi-channel online streaming in Zoom, VK, OK, RUTUBE, client websites and other streaming platforms
 - ✓ Audio and video recording and editing

TRANSLATION

- We perform translations in over 100 language pairs.
- Each translation is edited and proofread.
- All translations are performed by professional translators who are native speakers of the target language.
- We are in the loop: many of our translators and editors have an additional degree in their area of specialization.
- Our pool includes over 800 translators and editors across several time zones.
- We keep the original formatting and comply with target language standards.
- We use the terminology you are used to.

- ✓ Translation
- ✓ Editing and proofreading
- ✓ Transcription
- ✓ Desktop publishing, graphic design and printing
- ✓ Notarization

EDUCATIONAL PROGRAMMES

- Focus on practical exercises in lessons.
 - No pre-recorded lectures: only real-time communication with the instructor.
 - All instructors are practicing professionals.
 - We are ready to adapt our training materials to the competence level and subject matter areas of our learners.
 - We offer programmes in a variety of languages: Russian, English, Spanish, German, French and other.
- ✓ **Specialized translation** (legal, technical, medical, financial, etc.)
 - ✓ **Professional development for translators and interpreters** (simultaneous and consecutive interpretation, translation)
 - ✓ **Webinars and courses for editors**
